2020 KING OF THE TRACK

In the year of the COVID, it is fitting the King of the Track Wally event will be different from any previous year. This is a Track Championship Points event for all classes in competition.

Super Pro, Pro, and Sportsman classes compete as normal. Payouts for each class will be as posted on the website.

The top finisher in each class, who is also entered in the 2020 CRD points, (not necessarily the winner*) will qualify to compete for the King of the Track Wally. The qualifiers will then make one single pass each.

The two best packages over/under reaction + over/under dial will compete in the King of the Track final.

*Since the event is open to all racers, it is possible there may be two or more competitors in CRD points that finish in the same round. Example: final round pair are not in the CRD points, but two CRD points racers were eliminated in semi's. Both semifinalists (who are in CRD points) would qualify to compete for the King of the Track Wally.

No points are given for the King of the Track final

The Summit Racing Equipment King of the Track Wally continues to be available only to those who bought into the 2020 CRD Championship Points.
